PAYMENT OF DEFICIENCY OWED
DUE TO ERRONEOUS SMALL ENTITY STATUS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is being submitted to address a good faith error in payment of maintenance fees as a small entity.

An executed Statement Claiming Small Entity Status was filed on July 13, 2000. However, fees were paid at the large entity rate during prosecution from May 12, 2003, onwards, and the issue fee was paid at the large entity rate with small entity status disclaimed on the Fee Transmittal form filed August 30, 2006. However, it has come to our attention that the United States Patent and Trademark Office was not notified of a loss of entitlement to small entity status for the above-referenced patent, as required by 37 C.F.R. § 1.27(g)(2).

In accordance with 37 C.F.R. § 1.28(c) *et seq*, we provide an itemization of the deficiency payment below:

Type of fee erroneously paid:	Maintenance Fees (3.5 years)
Small entity fee paid:	\$490.00
Date small entity fee was paid:	August 13, 2010
Deficiency owed:	Maintenance fee \$490
	Surcharge (large entity) \$130
Total deficiency payment owed:	\$620.00

This deficiency payment reflects the difference between the 3½ Maintenance Fee for a small entity paid on August 13, 2010, and the current 3½ year Maintenance Fee payment for a non-small entity. Additionally, because this deficiency payment is being made during the grace period for payment of the 3½ year Maintenance Fee (between 3 years 6 months from issuance and 4 years from issuance), the current large entity surcharge for payment of the 3½ year Maintenance Fee is also included in the deficiency payment amount.

Please charge any fees associated with the filing of this document to Deposit Account Number 033975. The Commissioner for Patents is also authorized to credit any overpayments to the above-referenced Deposit Account.

Respectfully submitted,
PILLSBURY WINTHROP SHAW PITTMAN LLP
